

Information about ID06

We deliver your ID06-cards – Quickly, easily and securely!

We strive to deliver quickly, easily and efficiently. Which is applied in everything we do such as ID06 cards, responding to questions from our customers to how we work internally within Areff Systems. We want to constantly develop ourselves to meet our customers' requirements, only then, we can achieve, quick and effective results – we'll help you!

Why ID06?

The ID06 system fulfills the legal requirement of electronic attendance recorders on construction sites.

Through mandatory registration in attendance readers (records) and unannounced controls by the Swedish Tax Agency, it becomes very difficult for unauthorized personal to stay at the construction site. The healthy competition is strengthened and security is enhanced.

STEP 1. APPLY FOR AN ID06 ACCOUNT

In order to purchase ID06-cards, you must first apply for an ID06-account.

https://areffid06.se/ansokan_id06_konto .This can be accomplished by proceeding as follows:

For all foreign companies the following documents are required. It is of utmost importance that the supplied documents are not older than 1 month and translated to English.

- A certificate from the Tax Office in the country in which the company is registered within. This certifies that the company is paying their taxes within the registered country, for their activities, rather than in Sweden.
- The Registration certificate from the General Office in the country the company is registered in.

The documents have to include the following information, also the following information must be included;

- Which person/persons that are authorized to sign for the company and this/ these person(s) individual personal identification number.
- Organization number and if applicable, the companies VAT number.

It must be stated that / if the company is registered for employer's tax, tax and VAT. Upload the documents as an image or PDF file.

The company logo is a nice addition to the graphical layout of the card but no requirement.

Format & dimensions of the Logo:

- Format JPG or PNG.
- 44mm wide and 15mm high resolution is 300 dpi. It is 177x 520 pixels.

When we have received your application

After we have verified your application for an ID06-account, an email with the delegation decision will be sent to the applicant. The delegation decision has to be printed and signed by the person authorized to sign for the company and sent back to us by post.

When Areff have received the signed delegation decision, you will be granted access to Areff's ID06 webshop. The log in information will be sent to you by email. You will now have access to the company account and thereby the possibility to order ID06-cards for company employees.

This procedure usually takes 2-3 days, depending on how quickly you return the signed delegation decision to us. If you have any questions or concerns, please do contact us.

STEP 2. ORDER ID06-CARDS

ID06-Cards can be ordered through our webshop alternatively through our mobile-app "ID06Kort". *Please note, the mobile-application is only available in the Swedish language.*

Simply log into your account and order an ID06-card.

Upload personal image and enter personal data, validity date (maximum card limit of five years) and the information of the next of kin. You will get a preview of the card so you can see an overview of how the final card will look.

You will also be able to order cardholders with various accessories for your cards. ID06-cards are delivered to the address specified for each delegated customer.
